THE PRINCIPAL

Wow! Our school year is over. How quickly it has gone. It has been a great year with many student involved in numerous activities combined with their learning program. Exams are over and I know that many students are waiting nervously for their results. Once they are announced

we will be identifying our dux and subject prize winners for our Awards Presentation Assembly on Wednesday, 27th January commencing at 7pm.

This ceremony not only recognises academic achievement in level 3 subjects but also in level 2 subjects, many of which are a foundation to a Pre-Tertiary. We will be celebrating students' commitment and dedication to their studies. Those students who will be receiving an award will be notified by mail. I am looking forward to this evening as it is highlight on our school calendar.

I wish our students and their families a very happy Christmas and a restful holiday. I look forward to an exciting and productive 2016.
